CLEANSING WIPES

Delicate wet wipes specially designed for the hygiene and care of dogs, cats, and puppies. They gently clean and deodorize, respecting the natural pH and adding shine to the coat. Ultra-resistant, they are available in various scents and sizes to meet every need.

CLEANSING WIPES

Ideal for cleaning your dog, cat, or puppy after outdoor walks or in any situation where you want to clean them without using water. Available in 6 different fragrances: talc, aloe, white musk, citronella, ylang ylang, and sea breeze.

Pack of 40 wipes

30x20cm

Box of 12 packs

POCKET WIPES

In a convenient and practical pocket-sized format, perfect to keep on hand for emergencies and to clean small, specific areas. With a gentle chamomile fragrance.

Pack of 15 wipes

17x20cm

Box of 12 packs

POCKET WIPES WITH ACTIVATED CHARCOAL

In a convenient and practical pocket-sized format. Revolutionary wipes made of 100% black viscose, a completely biodegradable material. Soaked in a lotion containing plant-based Activated Charcoal, known for its absorbent and detoxifying properties, Chamomile Water for its soothing action, and Silk Proteins that help keep the fur shiny and soft.

Pack of 15 wipes

20x20cm

Box of 12 packs

BIODEGRADABLE WIPES

Made of 100% biodegradable cotton, these wipes offer a completely natural cleaning experience as they are cotton-based with organic essences. Available in an unscented version or in 3 different fragrances: green tea, bamboo and shea, aloe and bergamot.

Pack of 30 wipes

30x20cm

Box of 12 packs

WIPES WITH CHLORHEXIDINE

Made of ultra-resistant fabric, these wipes contain Chlorhexidine, effective against germs and bacteria. Ideal for daily cleaning after outdoor walks or in any situation where you want to clean your dog, cat, or puppy without using water.

Pack of 40 wipes

30x20cm

Box of 12 packs
