CLEANSING WIPES

Delicate wet wipes specially designed for the hygiene and care of dogs, cats, and puppies. They gently clean and deodorize, respecting the natural pH and adding shine to the coat. Ultra-resistant, they are available in various scents and sizes to meet every need.

SCENTED WIPES

Ideal for cleaning your dog, cat, or puppy after outdoor walks or in any situation where you want to clean them without using water. Available in 6 different fragrances: sea breeze, spring flowers, white musk, talc, vanilla and karité and ylang ylang.

Pack of 40 wipes

30x20cm

Box of 12 packs

UNSCENTED WIPES

Soaked in a refreshing lotion, they make the coat shiny and clean, while fully respecting the skin's natural pH. Made of ultra-resistant fabric, they are ideal for daily cleaning after outdoor walks or anytime you want to clean your dog, cat or puppy without using water.

Pack of 40 wipes

100 CLEANSING WIPES

Available in a practical big size, they provide a more generous supply for thorough and long-lasting hygiene of dogs, cats, and puppies. Ideal for frequent use, they simplify daily routines and ensure quick cleaning anytime, without water. Made of ultra-resistant fabric and soaked in a refreshing lotion, they gently cleanse the coat, leaving it shiny and respecting the skin's natural pH.

Pack of 100 wipes

30x20cm

Box of 8 packs

FUNCTIONAL WIPES

The wipes are also available in specific versions with **repellent action**, **sanitizing action** and **detox action**.

Detox action: activated charcoal gently detoxifies and purifies the skin and coat, eliminating smog and bad odors.

Sanitizing action: chlorhexidine provides effective antibacterial protection, ideal for daily hygiene and after exposure to outdoor environments.

Repellent action: citronella and neem oil help naturally keep insects away, leaving a pleasant fragrance for the pet.

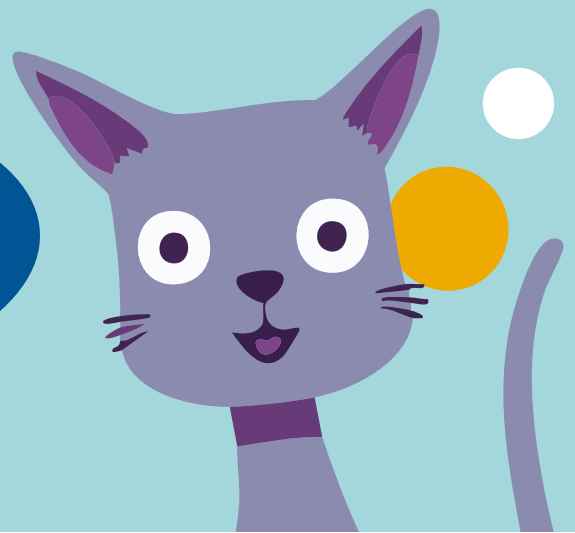

Pack of 40 wipes

30x20cm

Lindocat
 only for Very Important Cats

The wipes specifically designed for **eyes, ears, paws, and intimate areas** are made of ultra-resistant fabric and formulated for targeted, gentle cleaning.

Eyes and ears: the chamomile content is ideal for these delicate areas.

Paws: aloe vera and tea tree oil are perfect for cleansing and refreshing the paws.

Intimate areas: calendula and mallow provide a soothing and protective effect, ideal for daily hygiene or after walks and physiological needs.
